

**SPECIALIZED YOUTH SERVICES OF VIRGINIA
ANNOUNCES THE 12TH YEAR OF THE
DAY TREATMENT
SUMMER PROGRAM 2016**

The Day Treatment Program is designed to help children ages 5-18 with social and behavioral skills. We offer a variety of activities and outings to help facilitate a safe environment for your child to progress. Counseling is under supervision of a licensed mental health professional.

The summer program runs June 27th through August 19th, 2016, Monday through Friday 9 am - 2:15 pm. Our staff works with your child to develop age appropriate skills through individualized service planning, group social skills training, weekly community integration and individual therapy sessions. Weekly contacts are made to parents to discuss your child's progress as well as deal with crisis intervention.

This is a program for children with mental health needs (including a DSM IV diagnosis) who meet certain criteria such as being at risk for removal from their home or school without further support; experiencing repeated professional interventions through the mental health, social services, or juvenile justice system; and demonstrating a difficulty in understanding that his or her behavior is extremely inappropriate or dangerous. Participation in this program begins with an assessment to determine if your child meets eligibility criteria and if this program is a good fit for his or her needs.

This program is fully funded by Medicaid and FAMIS, and is licensed by DBHDS. FAPT funding is also available in some communities.
